

**VIVID CREATIONS  
TO DELIGHT GAMERS**

# WHAT'S OUR STORY?

Shaped by two elements, the identity of Tech Amulets comprises Mandala Patterns and Artificial Intelligence together in harmony, symbolizing the paradigm shift of the entire world we are experiencing by means of technological evolution, and this is where our story begins...

In June 2020, the sea of gaming industry is calling for more innovation. Tech Amulets is no ordinary production house, we're a video game boutique where every game is a masterpiece.

# OUR STATE OF MIND

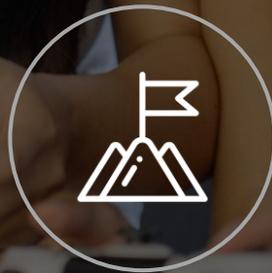

To live life fully is to push the boundaries of imagination, paving the way for new realities where we become the stars in our own show.

Having some serious fun

Always learning from each other

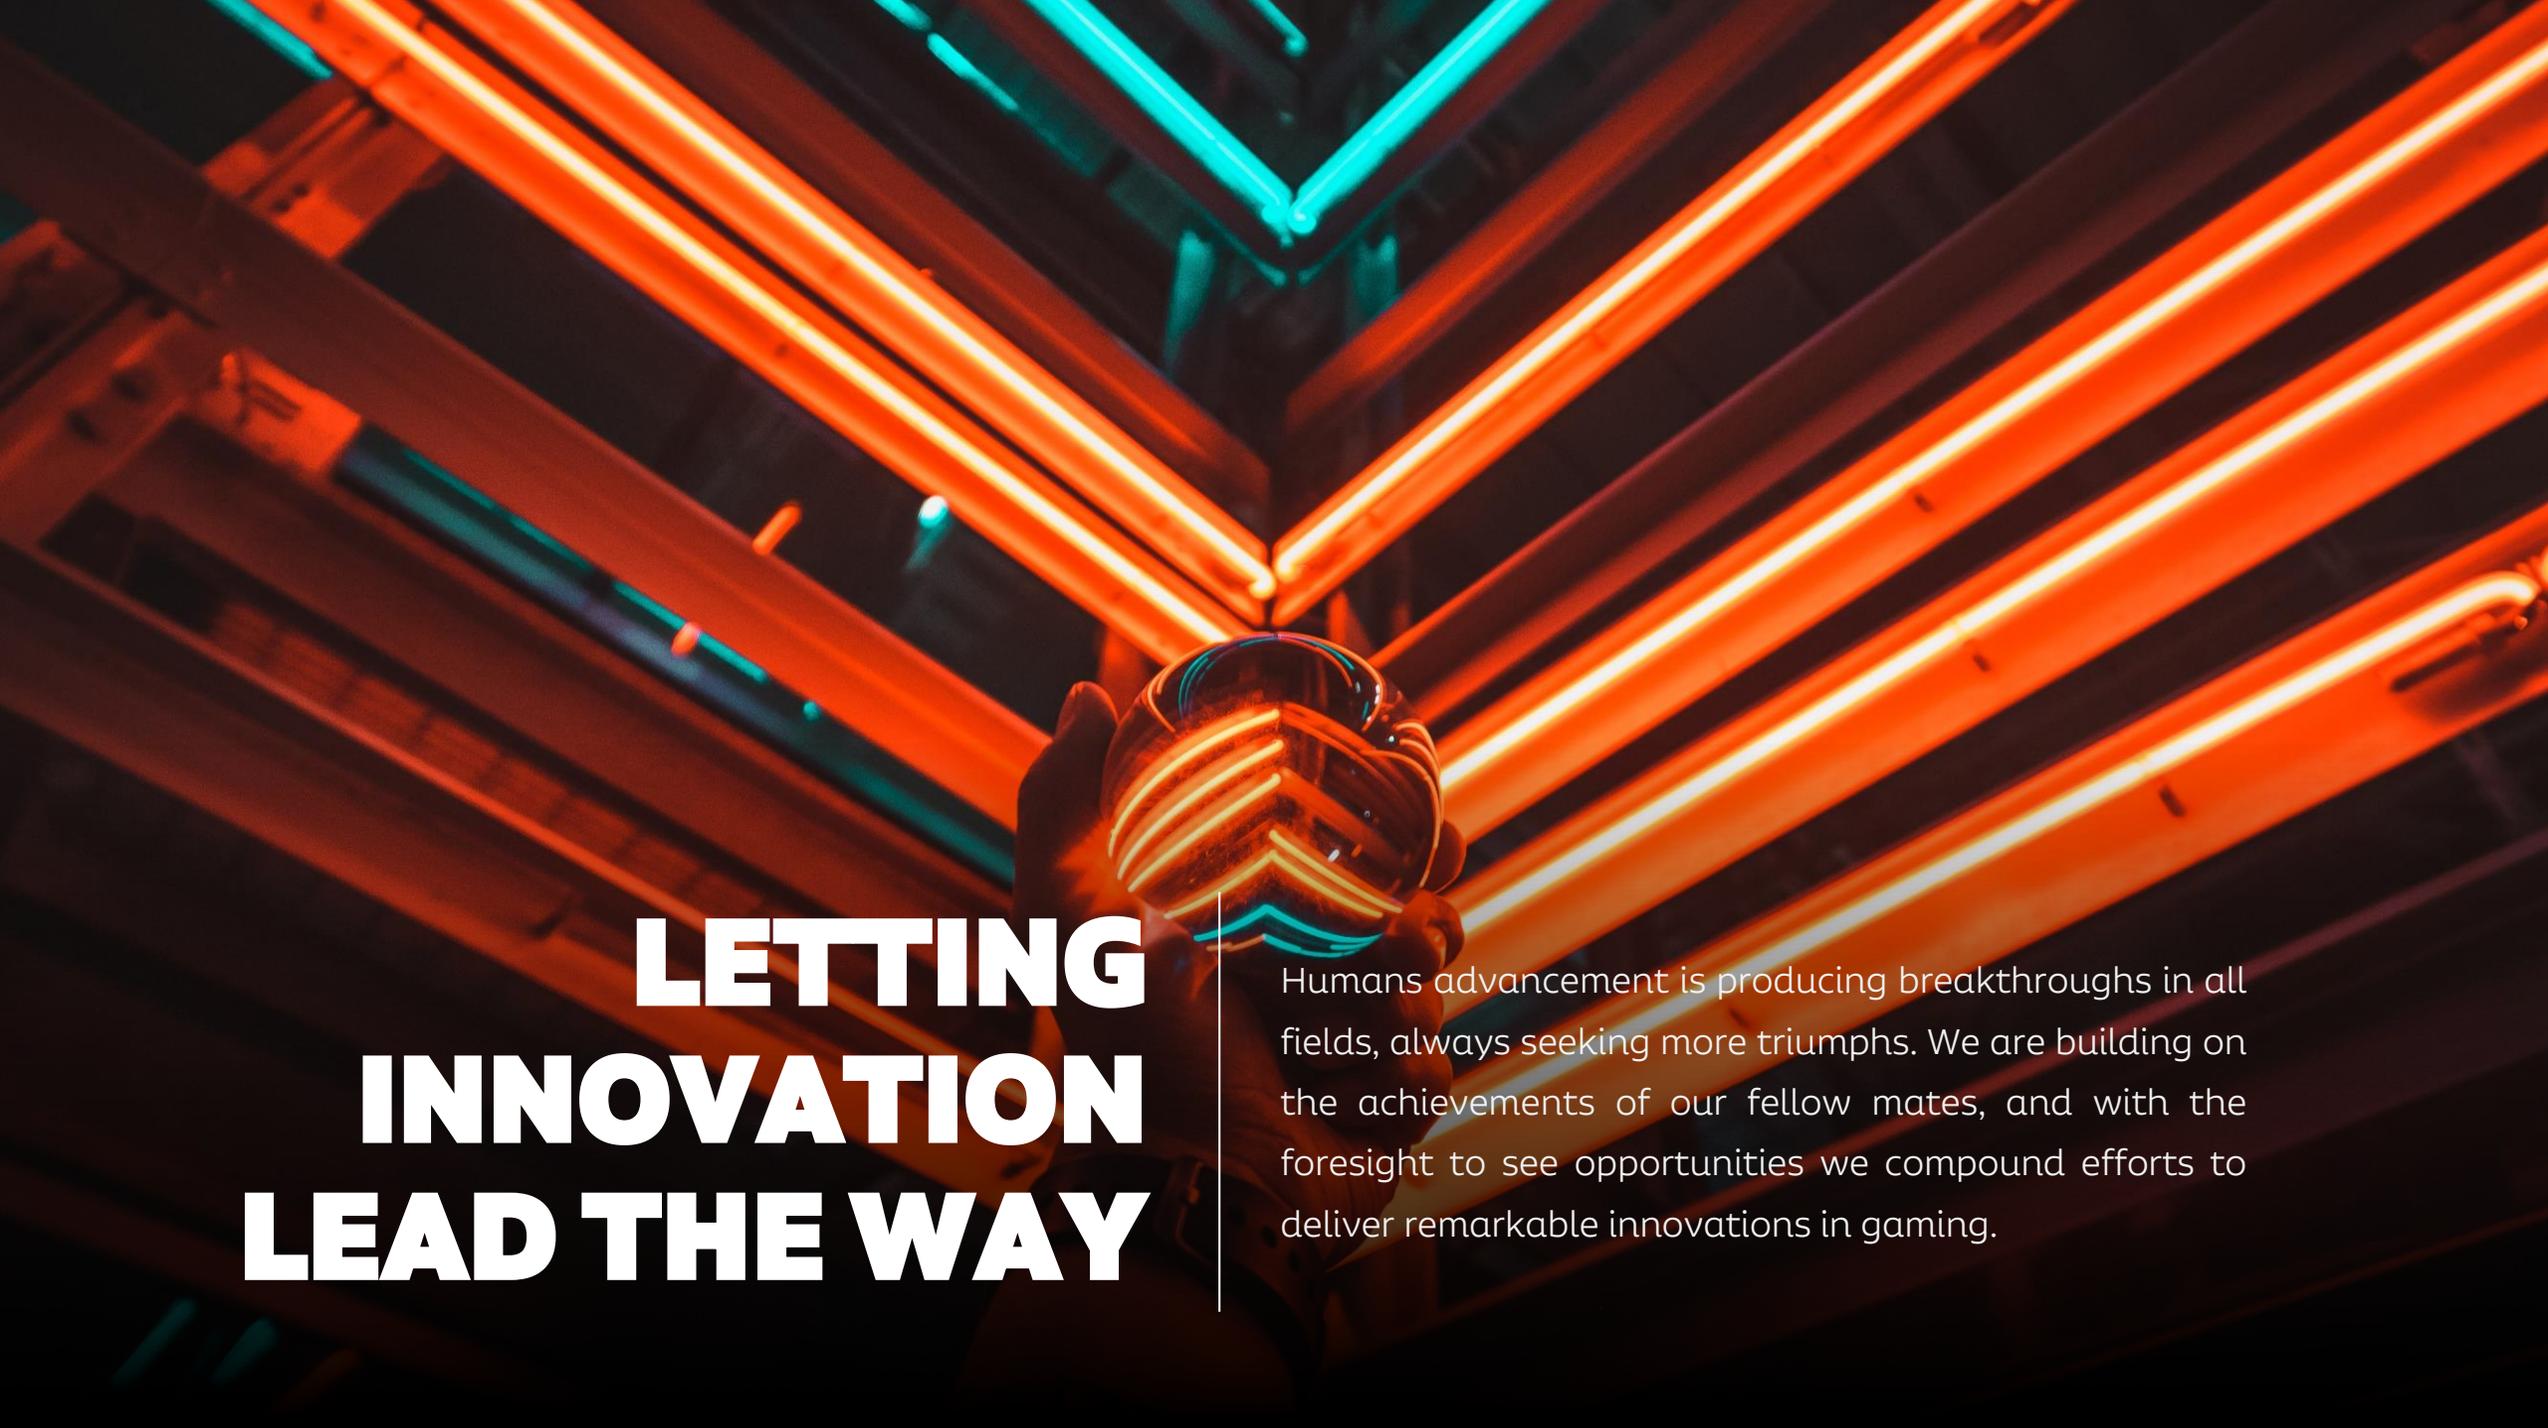

Aspire to step up the game

Honoring our teammates efforts

Inclusivity, equality & non-discrimination

A hand holding a glowing orb in a futuristic, neon-lit environment. The scene is dominated by bright orange and red neon lights that create a sense of depth and perspective, converging towards a central point. The lighting is dramatic, with deep shadows and bright highlights. The overall atmosphere is one of high-tech innovation and forward momentum.

# LETTING INNOVATION LEAD THE WAY

Humans advancement is producing breakthroughs in all fields, always seeking more triumphs. We are building on the achievements of our fellow mates, and with the foresight to see opportunities we compound efforts to deliver remarkable innovations in gaming.

# A MASTERPIECE IN THE MAKING

It all starts with a fragile idea; a tiny atom in the depth of our minds on her way to be evolved. We invite everyone to the discussion, electrical sparks fill the air.. a thunderstorm of ideas hits.. and fragments of minerals starts raining down into our never-ending aspirations forming hot layers of creativity, compressed over time to transform dark matter into flawless sparkling diamonds.
